WARRANTY

The Evergreen Tool Company Holecutting System II components are warranted to you as the original purchaser for one year from date of delivery against defects in workmanship and material. The Evergreen Tool Company will replace or repair any metal part which, in its opinion, is defective and has not been tampered with or subjected to misuse, abuse or exposed to highly corrosive conditions or has been modified except as expressly approved by Evergreen Tool Company, provided that written notice of alleged defect shall have been given to the Evergreen Tool Company within 30 days after discovery thereof and prior to the expiration of one year after delivery, and further provided that if the Evergreen Tool Company so instructs, such article or part thereof, with proof of purchase, is promptly returned to Evergreen Tool Company with shipping

charges prepaid. This warranty does not include reimbursement for the original purchaser removal, set up, assembly or reinstallation of the fire system components. The above warranty is the only one given by Evergreen Tool Company concerning the Holecutting System II components and shall be limited to the purchase price thereof. The Evergreen Tool Company does not assume or authorize any other person to assume for it any additional liability.

For repairs, parts and service of the Evergreen Tool Company Holecutting System II components, contact the Evergreen Tool Company, 715-582-0973, or email sales@evergreentool.com
